Fisher Island Day School

New School Uniforms. FIDS's new school uniforms—along with our new logo—are now available for purchase at <http://landsend.com> or 1-800-963-4816, **School ID 900123852**. Before you start pitching old uniforms, please note the following important information:

1. Many of the new items and styles are the same items that were on FIDS's previous list.
2. We are working on a better way to visually present our new uniform options. In the interim, please refer to the list below.
3. For the 2019-2020 school year, **we will allow both the old and new logo to co-exist**. You will no longer be able to purchase uniform items with the old logo; however, if the uniform item has not changed, children can still wear it with the old logo for this school year.
4. All students must have at least one red logoed uniform top (or polo dress if applicable to grade level) to wear on field trips. This does not include the FIDS Sharks shirt.
5. We have included navy and white micro tights as an option for girls to wear under their uniforms. These tights may not be worn as stand-alone attire—only underneath jumpers, dresses, shorts, skorts, or skirts. Alternatively, girls may wear plain navy or white leggings—purchased from the retailer of your choice—to wear underneath their uniforms. Creative interpretations of leggings and tights are not permitted.
6. If children get chilly during the day, they should wear one of the Cooler Weather logoed uniform items available from Land's End. Creative interpretations of outerwear are not permitted; e.g., college sweatshirt.
7. Cargo shorts and pants are not permitted.
8. **Certain items, such as cargo shorts and sweat pants, have been retired from FIDS's selection.**
9. Non-logoed uniform shorts and pants may be purchased from Land's End or a retailer of your choice, as long as they conform to the color standards.
10. You are not required to purchase every item/color available for your child's grade level. We have provided a variety of options to appeal to various personal preferences.
11. The most significant changes to FIDS's uniforms have occurred in the formal wear for selected students and at middle-school level. Please pay particular attention to these areas when ordering.
12. Due to space limitations, FIDS cannot accept donations of old uniforms at this time. Thank you for your understanding.

2019-2020 Uniform Specifications:

Shoes (All Students)

Every Day Wear: Sturdy, closed-toe lace-up or Velcro-closable sneakers are the best options for Every Day footwear. Consideration should be given to coordinate shoes with the color palette of student uniforms. Footwear that is distracting and/or potentially dangerous (e.g., neon-colored, illuminated, sandals, tap shoes, or wheelies) is not appropriate for school. Students may also wear hybrid, closed-toe rubber-soled shoes—such as Clark's, Sketcher's, Timberland's, Top Siders, etc. These provide the proper coverage and support, but which also give a dressier appearance. Girls may also wear Mary Jane or Mary Jane-style shoes, without heels and which are closed-toe. Sandals, Crocs, clogs, etc. are not permitted. Galoshes may be worn on rainy days; however, boots are not permitted as footwear.

Formal Footwear: Closed-toe, black dress shoes are the standard for formal wear; black Penny Loafers or similar for boys; black Mary Janes or similar for girls are acceptable options. Middle school girls may also wear closed-toe black shoes—such as Mary Janes—with a modest (i.e., not more than 2 inch) heel. Boots are not permitted.
